Message from the Acting President

Dear Graduates of LaSalle College Vancouver,

Congratulations, you did it. Earning your credential is no small feat, and I want you to know how genuinely proud I am of each and every one of you.

LaSalle College Vancouver exists because of students like you. Your energy, your creativity, and your commitment to your craft are exactly what this institution, and BC's workforce, needs. You've proven that talent and determination matter, and the world you're stepping into is ready for what you bring.

As you move forward, remember that your education didn't just give you skills, it gave you a way of seeing and solving. Whether you're designing, cooking, creating, or building, lead with curiosity and never stop pushing the boundaries of your work.

We are proud to call you alumni of LaSalle College Vancouver and of the global LCI Education family.

Here's to everything ahead of you.

Sincerely,

Chris Velasco
