LaSalle College provides learners in the ACS in Professional Creative Photography with a professional studio boasting cutting-edge lighting equipment to perfect their shooting, composition, and retouching skills. Using this advanced equipment, you will capture special moments and create exceptional images.

## Career Prospects

Technological advancements make photography services more accessible, and the growing interest in photography is driving the industry's growth in Québec.

A background in photography can open doors to several opportunities as a studio manager, on-site photographer, or in entrepreneurship.

## Career Fields

- Freelance Photographer,
- Owner of a studio,
- Photographer in a studio, corporation, or institution.

## Diploma and Accreditation

This Attestation of College Studies (ACS) is approved by the ministère de l'Enseignement supérieur of Québec and is internationally recognized.

ACS programs are part of continuing education and destined primarily for adults seeking to add value to their skill set or reorient their career.

A student without a Certificate of eligibility (CEO) who begins an ACS program in English will be required to demonstrate sufficient knowledge of French, as defined by the regulations of the Ministère de la Langue française, in order to graduate.
