With a core curriculum of study, the Hotel Management Technique program opens the doors to a wider array of careers in Québec, Canada or abroad. This program is unique in Québec.

This program focuses on the essential knowledge of hotel management. Teachers from the industry provide all the keys to success to enter into the labor market. The program also offers an internship, participation in several events plus practical experience including: service in La Classe restaurant dining room.

Students in this program may participate in the Job Fair organized by the International School of Hotel Management and Tourism, and eventually find a job in the industry.

The program is offered in 6 and 4 sessions. The 4-session program does not include a summer semester.

Training Objective

Enhance your entrepreneurial qualities and skills and learn to: manage reservations and welcome guests, manage human and material resources and plan strategies for promoting hotels.
